

CS5542 Assignment -Lab-02 Android

The image shows a screenshot of an Android application interface. At the top, there is a blue header bar. Below it, the status bar shows the temperature as 47°, the time as 18:01, and various system icons. The main content area is light gray and contains a login form. The form has five input fields: 'EnterFirstName' (with a red underline), 'EnterLastName' (with a gray underline), '700-788 E 51st St Kansas' (with a gray underline), 'phno' (with a gray underline), and 'E-mail' (with a gray underline). Below the 'E-mail' field is a password field with five dots. To the right of the 'EnterLastName' field is a gray button with a white right-pointing triangle. Below the password field is a gray button labeled 'SIGNIN'. In the bottom right corner of the main content area is a pink circular button with a white envelope icon. At the very bottom is a black navigation bar with three white icons: a triangle, a circle, and a square.
